1. Apologies

No apologies

2. Planning Application – The Hollows, High Haden Rd

The council studied the plans and accompanying documentation. The adjoining neighbour most affected by the proposed extension has no objection. The council found no issues and recommended approval.

3. Planning Application – Flock Farm, Glatton Ways

This is an application to convert an existing residential annex into tourist accommodation/holiday lets. The current accommodation is to be divided internally to create two properties with the potential for a maximum of 8 people at any one time. The access will be through the main gate to the current house. The adjoining stables are completely fenced off and the pond at the rear of the property is also going to be fenced. The drainage board will be able to have access to the brook at all times. There are no plans to increase the number of premises available for rent. It is hoped that it will be a successful venture and provide employment. It is very private at the back of the current house. The Council recommend approval.

Meeting closed at 8.15pm
