**WE ARE HERE TO HELP IF YOU ARE SELF-ISOLATING or IMPOSED ISOLATION.**

Please do not panic, the Parish Council, & a group of volunteers, are attempting to ensure all Villagers of Glatton have access to the information & support that they may need, but we do not wish to cause any unnecessary worry or concern.

We would like to offer support and assistance (examples below) to anyone that may need it as best we can. This is in addition to any help and support you may be getting from relatives and friends.

Getting some Shopping	Posting your mail	Just a conversation (if lonely)
Other emergency supplies	Picking up medicines	Walking your dog(s)

If you need any help, support or just a conversation, and you have limited or no support, please contact one of the Parish Councillors in the first instance, We are here for you .....

This is a Village initiative and any villagers who would like to volunteer and support us in being a great neighbour also let us know your details.
