

GLATTON PARISH COUNCIL

PARISH COUNCIL NOTICE NUMBER 5: CORONAVIRUS

GLATTON SHOULD BE PROUD "STAY STRONG"

We as a village have worked really well with this national lockdown/isolation, but after 5 weeks there is still a way to go and now is the time to dig into our resolve and not waver from all the effort we have made and the good we have done. We have all supported each other and its lovely to hear everyone out on Thursday evenings clapping, banging lids and we are sure there was car horns last week. It is great that the village pub is offering meals to be delivered and the neighbourly, volunteer groups ongoing support to anyone who needs something, shopping or support we are all here for each other. For those that may want to be a bit more private there are other support services offered by Huntingdon and Cambridgeshire councils and the details are on the Facebook page, or website or any parish councillor can point you in the right direction.

VILLAGE COVID-19 VOLUNTEER GROUP: We now have 22 eager and waiting volunteers in the village, who are happy to support in any way they can. We are currently supporting at least 6 people in Glatton with regular shopping trips, collection of prescriptions etc. We are YOUR volunteer group.

HERE TO HELP

we are hoping you will join the Parish Council in wishing Captain Thomas Moore a very happy 100th birthday. What an inspirational man, to raise the money for charity that he has, and a number one song... What an awesome role model.

PLEASE REMEMBER: UK Government Guidance.
