

Glatton has received a meaningful proportion payment of £4,557.47 under the Community Infrastructure Levy (CIL).

It is the responsibility of the relevant Parish Council to ensure it is spent in accordance with the Community Infrastructure Levy Regulations 2010 (as amended).

Glatton Parish Council would like to seek your suggestions and nominations for what the CIL payment could be used for. Nominations should be made to the clerk to the parish council at parish.clerk@glatton.org.uk by not later than 9th January 2022 briefly stating what is being proposed and the reason it should be considered eligible.

All nominations need to be in line with the guidance which can be found on the Huntingdonshire District Council website using this link:
