

## Updated With Link New Police and Crime Plan For Cambridgeshire and Peterborough

Good afternoon,

Today sees the launch of a new Police and Crime Plan for Cambridgeshire and Peterborough which sets out my policing and crime priorities for the next three years.

The Plan has been put together following extensive consultation with local residents, businesses and other organisations working to support criminal justice and community safety. I would like to thank those who took the time to give me their views in my July 2021 public survey.

You will see that 'Putting communities first' is at the heart of my plan. While people understand that the police have to respond to high harm issues such as child abuse, domestic and serious violence, communities also want to see local issues such as anti-social behaviour, speeding and drug dealing dealt with. We currently have the highest number of police officers we have ever had in our county however the police cannot tackle these issues alone.

To download a copy of the Plan, please [click here](#).

I will work hard with Cambridgeshire Constabulary and other partners to make sure the issues residents and businesses are worried about are dealt with and the above priorities are delivered. My commitment to you - the residents of Cambridgeshire and Peterborough - remains the same as the day I was appointed your Commissioner - to cut crime, help victims and keep people safe.

Darryl Preston

Police and Crime Commissioner
